The TEC has evaluated the following technical bids received in respect of the 3 tenderers as per the technical bid evaluation criteria described in tender notification.

Sl. No.	Name of the Tenderer
1	M/s. A.Ganesan and Co
2	M/s. Exservicemen Security Services – Regd.
3	M/s. Supervision Secure Services Private Limited

One tender cover from M/s. Sastha Electrical Technologies Private Limited, Chennai-51 was submitted offline. Hence the cover was not opened.

The competent authority after examining the committee's report and tenders in original has considered bids of the M/s. Exservicemen Security Services – Regd. is substantially responsible bid and bids of M/s. A.Ganesan and Co and M/s. Supervision Secure Services Private Limited are not considered as substantially responsive.

As a single tenderer only qualifies for financial bid, there is no other tenderer with whom the rates quoted can be compared. Since, there is no competition at all, this situation amounts to receipt of single tender only. Hence the competent authority has ordered to re-float the tender.
