

## **SETTING UP AND MANAGING INFRASTRUCTURE SITES AND PROVISION OF MOBILE SERVICES IN SPECIFIED RURAL AND REMOTE AREAS- PHASE-I**

The scope of this agreement aims at setting up and managing infrastructure sites and provision of mobile services in specified rural and remote areas and is divided into two parts. Part – A of the Scheme is for setting up and managing infrastructure sites and Part - B for providing mobile services.

### **Part A – Setting up and managing infrastructure sites**

The infrastructure provider (IP) shall be solely responsible to set up, operate and maintain infrastructure sites in the specified cluster(s) for the whole period of agreement.

The infrastructure so created shall be owned by the IP and created infrastructure shall be shared by maximum 3 USPs to provide mobile services by installing necessary equipments. M/s BSNL TN is the lone Infrastructure Provider.

The effective date of this Agreement is 1st June 2007.

The validity of this Agreement is six and half years from the effective date.

The subsidy shall be payable for a maximum period of 5 years within the validity period of Agreement, from the date infrastructure site is commissioned.

The IP shall enter into a service level Agreement (SLA) with the USPs for 5 years period to ensure continued provisioning of services to the rural subscribers and the IP shall not charge any rental from the USPs during this period.

#### Part – B – Provision of Mobile Services

The Universal Service Provider (USP) shall be solely responsible to set up, operate and maintain the mobile services sites by using the sharable

infrastructure created by IP in Part A of the Scheme in the specified cluster(s) for the whole period of Agreement by installing the following components

- i) BTS equipment
- ii) Associated antennas
- iii) Backhaul connectivity to their respective core networks
- iv) Other necessary equipments an
- v) Associated civil and electrical works required to provide mobile services

M/s. BSNL, M/s. Aircel Ltd., M/s. Vodafone Cellular Ltd., and M/s. Reliance Communications Ltd. were the four USPs who had to provide mobile services from the mobile infrastructure sites

The effective date of this Agreement is 1st June 2007.

The validity of this Agreement is six and half years from the effective date.

The Universal Service Provider shall make payment to USOF at the rates prescribed below in four equal quarterly instalments in arrears for a period of 5 years from the date mobile service site is commissioned.

#### **TAMIL NADU SERVICE AREA**

Cluster No.	State	Name of Districts	No. of Infrastructure sites	Name of USP sharing the infrastructure site along with their respective position on the tower (1=38.8M, 2=36.4M, 3=34M)	Representative rate per Infrastructure Site per annum (in Rs.)
